

CHOW.1123/2017

16 January 2017

Subject: The Company has developed and completed 1 additional solar power project a capacity 12 MW(DC)

To: President of the Stock Exchange of Thailand

Chow Steel Industries Public Company Limited (the Company) has invested in solar power projects in Japan developed under the subsidiaries. The Company has developed and completed 1 additional project a capacity 12 MW (DC) is located on Shimane Prefecture, Japan. Now are in the process of testing the electricity generating machine and equipment.

The Company presumes that the solar power project will be COD within February 2017, which makes the Company has a total operating capacity of 42 MW and the remaining projects will continually report the progress.

Please be informed accordingly.

Yours sincerely,

-Signed-

(Mr.Anavin Jiratomsiri)

Chairman of Executive Committee

Shimane Project, a Capacity of 12 MW

Location: Shimane Prefecture, Japan
