Subject : Clarification of the payment preparation for Bills of Exchange.

Attention: Director and Manager if the Stock Exchange of Thailand

According to the news on media reported that there are some listed companies on the stock exchange issued bills of exchange and be unable to pay a debt. As a result, investors have concerns about impact of the news and the chance that the Company will repay its debts?

The Company would like to clarify that the Company currently has the bill of exchange debt for 2,390 million baht (two million three hundred and ninety baht), which the bills of exchange will gradually due payment. However, the Company has already prepared a plan for the payment. The source of funds to pay the bills is coming from financial institutions which approve loans the total amount of 4,000 million baht (four million baht).

Please be informed accordingly.

Yours sincerely,

(Mr.Anavin Jiratomsiri)

Chairman of Executive Committee
