

CHOW.144/2017

16 October 2017

Subject: Report on the sale of solar power plant projects in Japan.

Attention: Director and Manager  
The Stock Exchange of Thailand

Reference is made to the resolutions the Board of Directors no.5/2017 of the Chow Steel Industries Public Company Limited (the "Company"), held on August 30, 2017 granted approval for its indirect subsidiary to enter into an asset disposition transaction, consisting of two solar power plant projects in Japan with a combined capacity of 4.43 MW, with an Infrastructure Fund in Japan and/or the Fund's subsidiaries. The details are set out in a notification on the resolutions of the Board of Directors meeting to which the company released through the Stock Exchange of Thailand's information disclosure channel on August 31, 2017.

The Company would like to inform that the Company have already received proceeds of 2,040 Million yen or equivalent to 622 Million baht on October 16, 2017 in relation to the transaction.

For your information

Yours faithfully,

(Mr.Anavin Jiratomsiri)

The Chairman of Executive Committee
